Honorable Walter B. Smith
Director
Central Intelligence Agency
2430 E Street NW.
Washington 25, D. C.

Dear Mr. Smith:

Enclosed is a copy of the material covering your agency as it appeared in the 1950-51 edition of the United States Government Organization Manual.

We shall appreciate your assistance and cooperation in the prompt revision and return of this manuscript to us for inclusion in the 1951-52 edition of the Manual. Space limitation makes it necessary to restrict your copy to its present length.

In the event the complete statement covering your agency is retyped, or long inserts are typed, it will be appreciated if the original and one copy (double spaced) of this material are submitted.

It is planned to include in the Manual a list of the separate statements of organization published in the Federal Register pursuant to section 3(a)(1) of the Administrative Procedure Act (5 U.S.C. 1002 (a)(1)). This list, to be prepared by the Division of the Federal Register, will contain references to the most recent complete organization statements appearing in the Federal Register through July 1, 1951.

The forthcoming edition of the Manual will present the organization of the Government as of July 1, 1951. In order to expedite publication of the Manual, it is necessary that your material be returned not later than Monday, May 14, or earlier if possible.

Very truly yours,

B. R. Kennedy
